

Swiss Graduate Jobmarket Monitor

Indicator J – Job Ads

This indicator monthly measures the published job ads on the platforms of 15 Career Services of Universities & Universities of Applied Sciences in Switzerland. The focus is on tracking job ads for graduates, e.g. career entry positions, traineeships, internships etc.

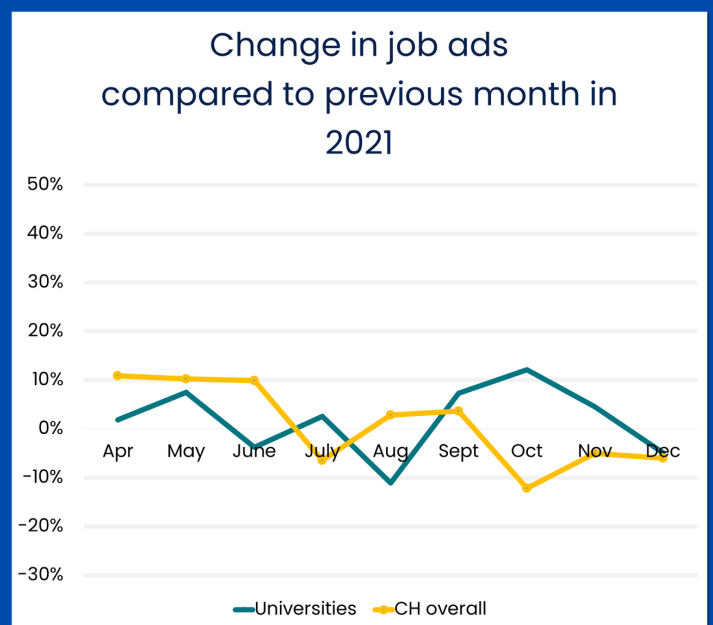

Development overall

Compared to all other quarters in 2021, Q4/2021 shows in sum the highest number of published jobs. The sum of monthly published jobs in all months (October to December) were higher than in the rest of the year. In November, the number of published jobs reached it's 2021 peak with 1879 job publications.

Monthly comparisons

In Q4/2021, the job market for graduates (green line) and the overall Swiss job market (yellow line) partially showed opposite trends. During the teaching time, the job market for graduates shows a positive growth with a typical down trend towards year end.
