

Swiss Graduate Jobmarket Monitor Indicator J – Job Ads

This indicator monthly measures the published job ads on the platforms of 15 Career Services of Universities & Universities of Applied Sciences in Switzerland. The focus is on tracking job ads for graduates, e.g. career entry positions, traineeships, internships etc.

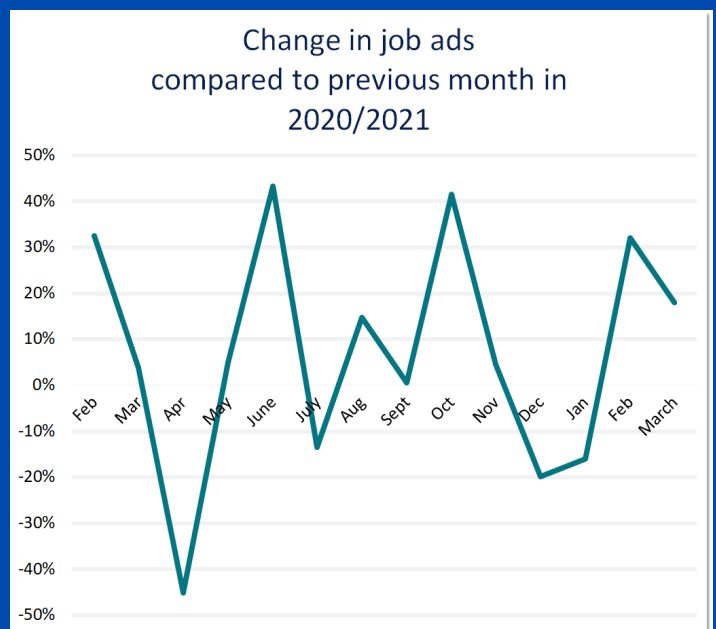

Development overall

Overall, the total number of job ads from all participating Career Services was stable during the last six months. There is a slight positive trend in Q1/2021 observable with 1,555 published job ads in March.

Monthly comparisons

After a major decline of total job ads in April 2020, a recovery was emerging in June and October 2020. 2021 started with less published job ads followed by positive growth rates in February and March.
